

## HOW WILL WE SELECT EKU'S NEXT QEP?

- 1. The QEP must have faculty support.**
  - In which areas do faculty think students need to improve?
  - Which areas are ranked as most important for students' success?
- 2. EKU students need to improve.**
  - Is there broad evidence that students are weak in these areas?
  - How would students benefit from improving in these areas?
- 3. We can make a difference within five years.**
  - What pedagogical strategies can be used to improve learning?
  - How feasible is it for faculty to learn and apply these strategies?
  - How will we evaluate student learning & assess change?

### How Have We Gathered Information?
