

# QEP 2017

EKU is planning for QEP-2017, the Quality Enhancement Plan that will be implemented beginning Fall 2017.

## Critical Reading

*The purpose of the QEP is to develop critical readers through the use of metacognitive strategies.*

### HOW CAN YOU DEVELOP CRITICAL READERS IN YOUR DISCIPLINE?

Critical readers:

- Read actively
- Read to learn
- Read with purpose

General workshops and information on professional development opportunities related to critical reading will start in Fall 2016.

If interested in professional development and/or planning a specific QEP project for a course or program, contact Lisa Bosley or Jill Parrott, QEP Co-Directors, at [qep@eku.edu](mailto:qep@eku.edu).
